Transforming Healthcare through Innovations and Meaningful Connections

Healthcare is continuously evolving, and it is adapting and improving to meet the needs of patients, especially in this post-pandemic era. Innovations in healthcare have led to significant improvements in patient outcomes, accessibility, and affordability. As technology continues to evolve, we will certainly witness amazing developments in the field of healthcare in the years to come.

The pandemic has brought huge opportunities for the healthcare sector to accelerate innovation and reinvent itself. It has served as a catalyst for the fast tracking of existing and emerging healthcare trends, such as shifting consumer preferences and behaviour, the integration of life sciences and healthcare, rapidly evolving digital health technologies, new talent and care delivery models, and clinical innovation.

The Malaysia Technology Expo 2023 – Advanced Healthcare and Life Sciences International Innovation Awards & Expo (AHLS IIAE) recognise and celebrate advanced healthcare innovations. This event also provides a platform for sharing best practices and promoting collaboration among healthcare providers, researchers, and industry leaders. AHLS IIAE is also a virtual marketplace and expo for healthcare innovations, and a networking and meeting place to connect and learn about the latest technologies, share experiences and best practices, and forge new partnerships for business and commercialization opportunities.

Healthcare Innovation & Transformation 2023

The presence of technology in medical applications creates new opportunities for patients and medical personnel to live in a more sustainable environment and fight even previously incurable illnesses. Some of the trending healthcare technology in 2023

- Integrating Data & Predictive Analysis
- Sustainability & Decarbonisation
- Organ Care Technology & Bioprinting
- Remote Patient Monitoring & Virtual Care
- Artificial Intelligence (AI) in Healthcare
- Augmented & Virtual Reality in Healthcare
- Wearables in Healthcare
- Technology in Mental Health
- Cancer Immunotherapy
- Digital Therapeutics
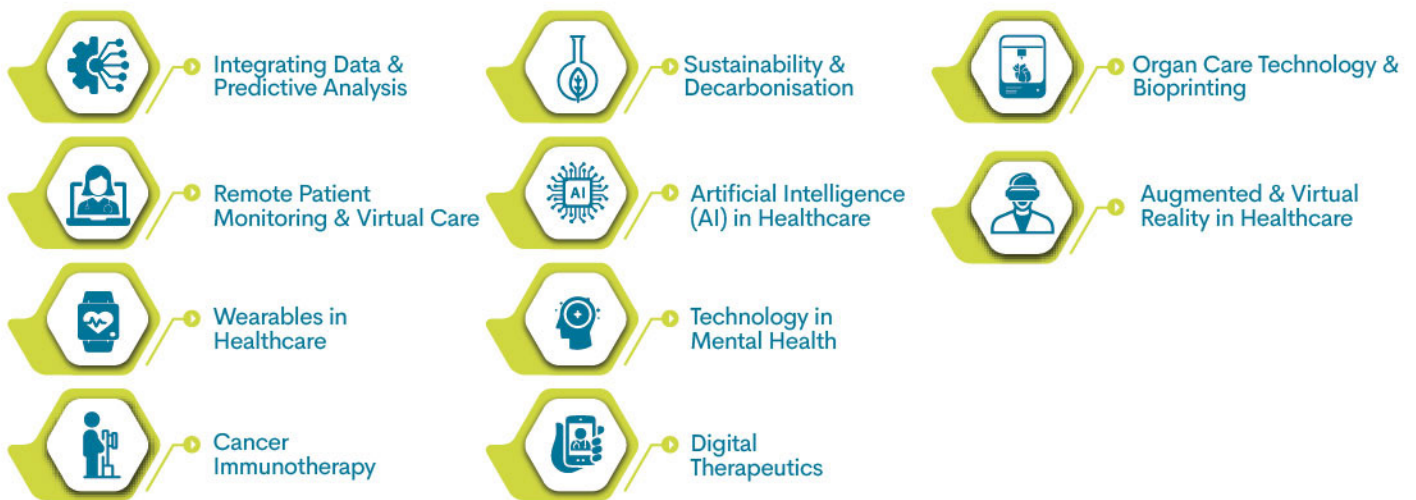

MTE 2022 Virtual In Numbers

- 21 Countries
- 3074 Visitors
- Gold 23
- Silver 20
- Bronze 11
- Awards Entries 61
- Country 7
- Innovations Exhibited 58

How You Can Be A Part of MTE 2023 Advance Healthcare and Life Sciences Event

Join the AHLS International Innovation Awards and Showcase your Innovation in the Expo

Exhibit in the AHLS Innovation Expo only

Share your Innovation Journey, Experiences and Success Stories with our participants and attendees.

What to Expect in this August Event

- Recognition for Excellence in Research & Innovation
- An independent awards committee with qualified jurors for awards evaluation
- Outstanding Innovation Awards to the best innovation selected by the Awards Committee
- Use of the official Advanced Healthcare and Life Sciences International Innovation Awards logo on all organizational materials
- Connect with potential partners and investors

- Excellent opportunity for industry-academia networking and partnership
- Reach new and potential customers globally in this virtual event
- Winners will be conferred with a medal and personalised certificate
- Special Awards Sponsored by International Organisations and Industry Bodies

We Invite Participation From

- Universities
- Research Institutions
- Researchers and Scientists
- Hospitals
- Pharmaceutical Companies
- Tech Companies
- Clinicians
- Dentists, Nursing practitioners

- Engineers
- Food, nutraceutical, and herbal products companies
- Health Centers
- Healthcare Professionals
- Innovators
- IT Entrepreneurs
- Manufacturers and Distributors

- Pharmacists
- NGOs
- Community-based Organisations
- Polytechnics, Community Colleges, and Schools
- Start-ups
- Technical Specialists

Awards Online Entry Submission, click here

Evaluation Criteria

Originality
- Novelty
- Inventiveness

Applicability
- Usefulness
- Due diligence

Status
- Status of finished article
- Readiness for market
- Functionality of article

Commercializability
- Market potential
- Technology potential

Presentation
- Clear, concise and attractive
- Knowledge about the innovation
- Scientific thoughts & engineer goals
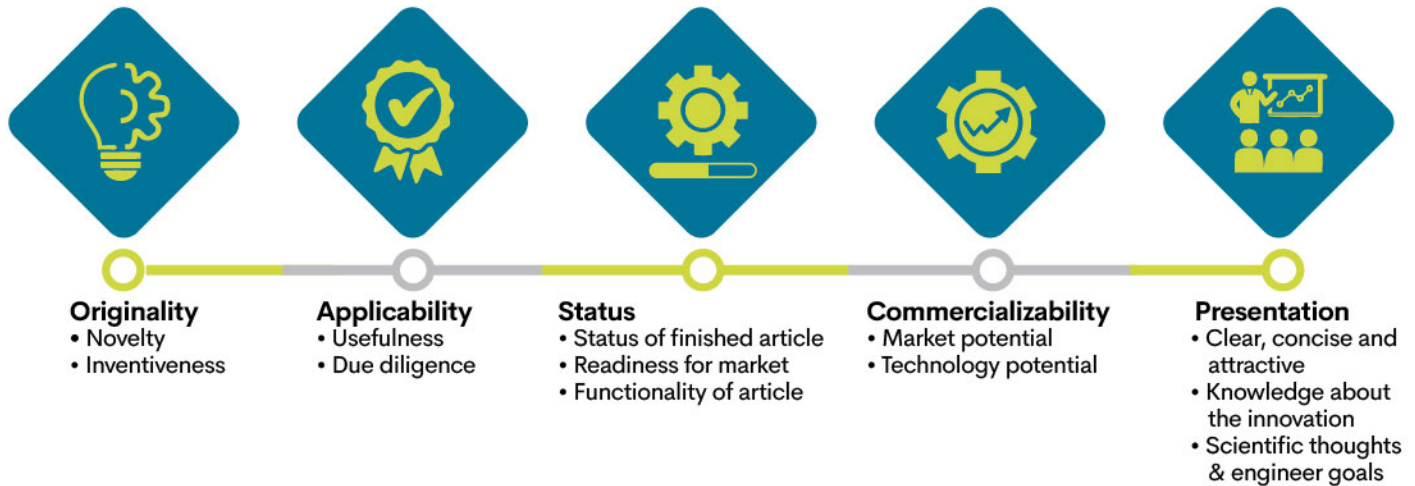

Categories

Participants can select a category which best fit their innovation. Should you require clarification or assistance, you may contact the secretariat at: mte@protempgroup.com

1. COVID-19 Innovations
Vaccine development, Drug development, Preventive care, Diagnostic facility.
New

2. Diseases
AIDS and sexually transmitted diseases, Malaria, Dengue, Parasitic infection, Tuberculosis, Yellow fever, Marburg virus, VEXAS syndrome, Measles, Middle East respiratory syndrome, Circulating vaccine-derived poliovirus type 2, Nipah virus, Cholera and others.
New

3. Digital Health & Mobile Solutions
Telehealth and telemedicine, Mobile health apps, Electronic medical records, Wearable devices, Personalised medicine.

4. Prevention
Healthy diet, Vegan and vegetarian diet, Health supplements, Functional food, Health screening and vaccinations, Physical workout and exercise, Weight management, Sugar, Blood Pressure Management, Smoking prevention and cessation, Sleep Management, Lifestyle change.

5. Treatment
Drugs and medications, Drug discovery, Therapeutics, Vaccines, Drug Delivery, Targeted therapy, Precision medicine, Nano medicine.

6. Detection & Diagnostics
Sensor technology, Advanced intelligent system, Augmented Analytics and data discovery, Smart Devices, 5G applications.

7. Biotechnology & Life Sciences
Cell biology, Stem cell technology, Genomics, Protein analysis, Gene therapy, Molecular diagnosis, Pharmacogenomics, Edible Vaccines, Biopharmaceuticals, Biologics.

8. AI & Machine Learning
AI technologies, Algorithms which revolutionize traditional healthcare system, Robotic assisted surgery, Clinical diagnosis investigations, Automation, Accuracy in prediction, Enhanced service delivery, Improved disease detection, Exploration of drugs, Augmented & Virtual Reality healthcare applications, Predictive data analytics, Neuro technology, Sensor technology, Blockchain technology.

9. Healthcare Management
Solutions to empower care teams, Clinical information management, Financial/Operational solutions, Patient engagement solutions, Data management and protection, Medical and pharmacy tourism, Logistics and distribution (eg. drones), Emergency management, Business Intelligence.

10. Nanotechnology
Biosensing platforms, Nanotechnology enabled diagnostic devices, Nano materials, Nano therapeutics, Nano food, Nano processors, Nano robots, Nano filtration.

11. Environmental Health
Clean and safe water, Air quality, Pollution control solutions, Pest control, Detection and Measurement devices, Sanitization.

12. Design & Manufacturing
3D/4D/5D printing, Advanced materials, Restorative technology, Processing technology, Neuro technology, Manufacturing operations and systems, Medical Devices, Implants, Instruments and Equipment, Monitoring, Diagnostics, Reconstructive Devices, Hip and Knee Replacements, Implantable Monitors of Cardiac and Diabetic Care.

13. Education
Curriculum design, 5G enabled technology, New teaching technology, Virtual Reality, 3D modelling.

14. Innovative Collaboration
Collaborations resulting in creative solutions and innovations, Problem statement identification Initiatives and success stories, Integration of unique expertise, Alternative healthcare systems.

How to Participate

1 Contact the Organisers to let us know the number of entries that you would like to submit. Confirm you participation with payment. Your one-off participation fee already comes with awards submission, virtual booth and/or virtual storefronts.

Contact : PROTEMP Exhibitions & Conferences Sdn. Bhd.
Office Tel: +603.6140.6666 | Whatsapp: +6012-231-5583
Email: mte@protempgroup.com | melissa@protempgroup.com

2 After payment, submit your entries via our online submission system. You can find the links to each Award below.

3 Submit your entries on or before 7 July 2023.

4 Confirmed participants will receive a video on what jurors are looking for to guide them towards making a comprehensive submission.

5 Evaluation by jurors will be from 17-21 July 2023. Jurors will contact participants for interviews only if they require more information. Participants should make a comprehensive submission of their innovations with a clear explanation and demonstration of their innovations.

6 Results of MTE 2023: Advanced Healthcare and Life Sciences International Innovation will be announced virtually on 11 August 2023.

7 MTE 2023: Advanced Healthcare and Life Sciences International Innovation Awards will be held from 9-11 August 2023 virtually. The virtual exhibition platform will remain live for an extended period for visitors.

Entry Regulations and Guidelines

1. Entries must be submitted to the online awards submission system by **7 July 2023** - 23:59 (GMT+8). There will be no extensions granted under any circumstances.

2. There are 14 Award Categories. Entries must be submitted into the category best described and most relevant to your innovation. If an incorrect category is selected, the Awards Committee reserves the right to disqualify the entry.

3. As a guide, Innovation(s) entered for competition must be an innovation/idea/initiative that is/are directly related to the healthcare solutions for the prevention, treatment and management of communicable and non-communicable diseases, and innovative solutions for better healthcare systems. We can help you to select the most relevant category for your entry/entries. Feel free to reach us at:

   Email   : info@protempgroup.com or mte@protempgroup.com
   Whatsapp : +6012.2315583 / +6012.3217345

4. Entry fees must be made in full upon submission of entries using online banking transfer or via local cheque. Payment is non-refundable.

5. Awards entry submissions, interviews and communications between participants and jurors (if any) will be in English.

6. The Organiser restricts content which involves nudity, all forms of violence and exploitation, cruelty of animals etc. This restriction is due to the diversity in age and cultural backgrounds of our global audience. All content must be appropriate for a general audience. Any inappropriate content submitted by participants will be duly removed without notice to the participant.

7. The submitted content can be expressed in words, image, sound or a combination of any, to enable efficient delivery of the critical messages to the judges. Each submission must include items (a) to (d) as explained below:

   a) Synopsis of work/innovation (200 words – MS word document)
   b) Minimum one video (HD 1080p, max 5 mins). A YouTube link is recommended.
   c) Photo (minimum 1 – jpg format, max 2mb)
   d) Detailed written description of the innovation (PDF – about 500 words)

8. The online awards submission system allows participants to submit additional supporting documents such as powerpoint presentations and other documents.

9. The Organisers reserves the right to the use of photos, videos, synopsis, and write-ups which participants have provided in the online awards submission system for the purpose of the promotion of MTE 2023: Advanced Healthcare and Life Sciences International Innovation Awards & Expo (AHLS IIAE) and publicity of your innovation and participation.

10. The same entry may be submitted into multiple product categories. If you wish to enter your innovation in more than one category, you will need to repeat the online submission process for every category that you choose. For example, if you are submitting one innovation for 3 different categories, you will be required to make 3 online submissions. An entry fee is applicable for each submission.

11. Entries must meet ALL the following requirements BEFORE they are qualified for judging:

    a) All required sections and fields of the online entry application form are completed.
    b) All requirements of above item 7 are fulfilled.
    c) Supported by full payment. Full payment must be made by **7 July 2023**.
    d) Incomplete and unpaid entries will be disqualified. The participant is solely responsible for ensuring that their submission is complete.

12. The jury will evaluate entries submitted in the online submission system. Jurors may request for more information at any time to support validation which might include online interviews, emails or telephone calls.

13. The jury's decisions are final and no appeal will be entertained.

14. Results will be announced on **11 August 2023** on MTE 2023: Advanced Healthcare and Life Sciences International Innovation Awards & Expo (AHLS IIAE) virtual platform.

15. MTE 2023: Advanced Healthcare and Life Sciences International Innovation Awards & Expo (AHLS IIAE) will take place virtually over 3 days. During this period, visitors will contact participants through our virtual platform via messaging app and email. After the event ends, all innovations will continue to be exhibited virtually for 2 weeks.

16. Medals and certificates will be shipped to all winners.

17. By participating in this Awards, each participant / exhibitor undertakes to guarantee that all information, documentation and media content submitted are original, accurate, and there is no violation or infringement of the intellectual property and copyright law. Participant(s) is/are solely responsible and liable for any violation or infringement of intellectual property rights or copyright laws. PROTEMP Exhibitions and Conferences Sdn. Bhd. and all stakeholders for this event assumes no liability for any form of IP or copyright infringement by participants.
